(CONCEPTUAL)

---

## Product Overview

### Mission

FoxFuture holds long-horizon scenarios with radical honesty: vision is labelled vision, evidence is labelled evidence.

### What it is

2050-oriented exploration product. Multi-path, uncertain, and never sold as a committed roadmap.

### Core Capabilities

- Scenario framing tools
- Horizon maps
- Vision labelling discipline
- Cross-links to Continuum research

### Use Cases

- Scenario workshops
- Board horizon sessions
- Research storytelling

## Technology

---

### Architecture

Timeline horizons and scenario branches. Each statement carries a tag: evidence, scenario, hypothesis, or vision.

### Security Posture

Prevent vision language from leaking into production claims on other product pages.
